About Zambia

Zambia is a land locked country, full of natural resources, it's a peaceful and Christian nation. The Country is surrounded by Angola, Zimbabwe, Botswana, Tanzania, Namibia, and Congo DR. Zambia is in the southern part of Africa. The climate is in three parts, winter, summer, and rainy season.

Population

The population is about 11,000,000. Census was done years ago, therefore, we can not be precise with the number of citizens in our country.

Capital City

The capital city of Zambia is Lusaka situated in the capital of the country in Lusaka Province. The language commonly spoken in Lusaka is English, Nyanja and Bemba.

Currency

The currency used in Zambia is Kwacha.

Languages

Zambia has 72 languages spread in 9 provinces. The commonly shared languages are Bemba, Nyanja, lenje, aLamba, lunda, Lubale, Nsenga, Tonga, and Lozi.

Religion

Zambia is a Christian Nation but all other religion are free to worship in te they feel like as long as it is constitutionally supported. Apart from Christianity the other religions are Muslim, Hindu, Bhuda and Jewish although popular religions are Christianity and Muslim. There is very good relationship among interfaith.

Major Industries

The major industries in Zambia are Mining, Fish Farming/ Crop Farming and Tourism. Tourism attracts a lot of people to Zambia. This is because of nice rivers, lakes, mountains and wildlife in several places of Zambia. Livingstone is the Tourism Capital City because of its richness in Zambezi River Victoria Falls and the wildlife along the river.

Girls Brigade Zambia

The report under review covers the period from August 2008- March 2009. Looking at part of 2008 and three months of 2009, there were many blessings, opportunities and challenges.

Blessings- in that we were able to continue with our work amongst young girls: opportunities – to find different avenues and ways of ministry and challenges- to find resourses financially, to accomplish our goals.
